Vijay nagar , Indore

PROFESSIONAL SUMMARY

Next.js, which I gained from internships and live projects. I know how to build responsive and userfriendly websites using HTML, CSS, and JavaScript. I enjoy writing clean and simple code and always try to make the user experience better. I am looking for a good opportunity to work with a smart team where I can learn more and grow in my career.

EDUCATION

vikram university ujjain

Bachelor's Degree in Bachelor of Science
2020 - 2023

INTERNSHIP EXPERIENCE

LetSkillify Software & Solution - Indore
React.js Intern | 📅 February 2025 - Present

- Developed reusable and responsive components using React.js and Tailwind CSS.
- Worked on the "Education Mandal" platform - a JustDial-like educational listing site.
- Collaborated with backend team for API integration and data display.
- Participated in code reviews and UI optimization for faster performance.

PROJECTS

LetSkillify Website

React.js, Next.js, Firebase, Tailwind CSS

- A modern IT education platform built with **React.js**. It features a clean UI, responsive layout, and dynamic routing for learning resources.
- Designed modern responsive layouts and optimized performance.
- Used Firebase for authentication and hosting.

HRSS consultancy website

- A professional consultancy site built using **HTML, CSS, JavaScript, and PHP**. It includes service pages, contact forms, and clean structure.

InvestoBazar

- A **PHP-based** stock-related website that provides financial information, services, and investment-related content.

Dr. Pooja Jain - Homeopathy

- A clean and mobile-friendly clinic website for a homeopathic doctor, designed with HTML, CSS, JavaScript, and PHP.
