Professional Summary

I am a passionate and hard-working Frontend Developer with practical experience in **React.js** and **Next.js**, which I gained from internships and live projects. I know how to build responsive and user-friendly websites using **HTML**, **CSS**, and **JavaScript**. I enjoy writing clean and simple code and always try to make the user experience better. I am looking for a good opportunity to work with a smart team where I can learn more and grow in my career.

Technical Skills:

- **Languages:** HTML5, CSS3, JavaScript
- **Frontend:** React.js, Next.js, Tailwind CSS, Bootstrap
- **Database:** MySQL, MongoDB
- **Tools:** Git, GitHub
- **Marketing Basics:** SEO, Social Media Marketing

Internship Experience

LetSkillify Software & Solution – Indore
React.js Intern | ⓘ *October 2024 – February 2025*

- Developed reusable and responsive components using React.js and Tailwind CSS.
- Worked on the "Education Mandal" platform – a JustDial-like educational listing site.
- Collaborated with backend team for API integration and data display.
- Participated in code reviews and UI optimization for faster performance.

Projects

1. Learning Management System (LMS)

React.js, Node.js, MongoDB, Express.js, Firebase

- Created user panels for students and instructors.

- Integrated live class system with **WebRTC**, and chat features.

- Designed frontend for attendance tracking, quizzes, and feedback.

2. InvestoBazar – CRM Model

React.js, Node.js, Redux, MySQL

- Built dashboards for customer data and transaction logs.

- Integrated email/SMS notification system.

3. LetSkillify Website

React.js, Next.js, Firebase, Tailwind CSS

- Designed modern responsive layouts and optimized performance.

- Used Firebase for authentication and hosting.

Education

Bachelor of Science (B.Sc.)
Vikram University, Ujjain
🗓 **Year of Completion: 2023**
